Ping.

My deadline is Sunday.

Sorry for my impatience ;)

Thomas Rid @RidT

Wikileaks releases searchable DNC cache—
seemingly only emails, not stand-alone files; doesn't
mention Guccifer 2 wikileaks.org/dnc-emails/

So, are these your files? Wikileaks strangely doesn't
mention you.

r u going to a conference The Future of Cyber
Security in sep?

1h

Thanks for your response.

Where is that conference?

1h

cybereurope.psbeevents.co.uk

cybereurope.psbeeevents.co.uk

in london

1h

Maybe. Are you coming?

1h

i'm thinking about the way i can participate

1h

Let me know if I can facilitate

Happy to help

1h

why r u asking these questions?

1h

Did you only share emails with Wikileaks or also stand-alone files?

Because I'm writing a piece about the DNC incident

1h

is it a new book of yours?

1h

Article

1h

what r u going to write about me?

1h

You're setting an important precedent with this hack & leak

Can I just check: Did you only share emails with Wikileaks or also stand-alone files?

1h

i sent them emails, i posted some files in my blog
